

LIMITED WARRANTY

Applicable To MOTORS, ACTUATORS, AND COMPONENT PARTS OR SUBASSEMBLIES

Sold by BEI KIMCO an Operating Division of BEI Sensors and Systems COMPANY

For a period of one year following delivery, complete assemblies of Motors, Actuators, and Drives and Controllers made by **BEI KIMCO** are warranted to be free of defects in material and workmanship. Subassemblies or components of Motor and Actuators sold by **BEI KIMCO** are warranted to be free of defects in material and workmanship for 90 days following delivery.

Seller's liability under this warranty shall be limited at Seller's option to repairing, replacing, or refunding the purchase price paid for any products determined by Seller to be defective.

This warranty is specifically subject to the following conditions:

1. Seller must be notified in writing of the suspected defect as soon as possible, but not later than the expiration of the warranty period.
2. Products must be returned only under conditions agreed by Seller and when accompanied by a Return Authorization Number obtained from Seller. Products returned by Buyer must be suitably packed, shipped freight prepaid and received within a reasonable time following authorization of return. Buyer shall be responsible for all costs of inspection, packing, shipment and risk of loss in transit.
3. Products must be determined by Seller to have been properly applied in accordance with Seller's ratings and instructions and must not have been subjected to accident, abuse or alteration.
4. In cases where repair or replacement is agreed by Seller, products will be returned to Buyer prepaid with credit issued for costs of inbound freight.

THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS, IMPLIED OR STATUTORY INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

BEI Sensors and Systems COMPANY WILL NOT BE LIABLE FOR CONSEQUENTIAL DAMAGES.
